Resurrection Day Joy

As we prepare to celebrate the greatest Gift ever given, I am reminded of the Joy that is set up for me in heaven. Jesus came to seek and save the lost. His mission accomplished at the Cross and He is now in heaven reunited with the Father preparing for me, and all who believe in Him, the amazing home that we all long for. Joy, for me is pondering and praising Him for this awesome adventure of Eternity with Him and the Joy of worship and service to Him here and then there forever.

Resurrection Day is significant because it is the only event in History that proved that Jesus is God in the flesh. This is Joy in the extreme for me!

○ what a glorious day!

May your Resurrection Day be filled with His Joy of Salvation in you!

Lovingly, Sandy Davis

I've enclosed a small Gift Booklet for you as you prepare for Resurrection Day. Enjoy ☺

Spring Planning

As Resurrection Day approaches, we are preparing for another Compassionate Hearts Gift Bag distribution. Several of you have donated a significant amount of toiletries and we are grateful. Those of you who have given financially - we have put the donations to good use purchasing needed items that will be used in the gift bags. THANK YOU!

Spring Classes Continue

We are continuing classes in Oviedo and Sanford. We will finish up the 1 John Study in late May. The Ephesian Study will continue until the end of the year. My one on one study is ongoing as well. Thank you for helping fund these classes. Our next Study on Tuesday will be Walk of Faith from the Book of Hebrews. It will begin in August.

Prayers and Praises

For encouragement for ladies who are struggling in various ways
For needs of ladies who have suffered loss and are in need of housing, employment, encouragement
Praise to God who knows our needs and answers us
